

GOME-2 dataset conditions of use

Data from the EUMETSAT EPS Metop GOME-2 dataset are available to registered NEODC users subject to the following conditions:

Data Protection Act:

Information submitted in application for access to the data will be made available to The Natural Environment Research Council (NERC), and its delegated authorities, i.e. the NERC Earth Observation Data Centre and the British Atmospheric Data Centre (BADC) and their host organisation, the Science and Technology Facilities Council (STFC) for the purposes of tracking data usage and of improving the service.

EUMETSAT Archived Product conditions of use:

- The User acknowledges and shall at all times respect EUMETSAT's Intellectual Property Rights in the EUMETSAT Archived Products, and, where such products are used for publication or display, always include the text "©EUMETSAT (year)".
- To the best of EUMETSAT's knowledge The EUMETSAT Archived Products are not subject to any rights or claims of any third parties. However, EUMETSAT does not accept liability in this respect, nor for any consequences, whether direct or indirect, of any use of The Archived Products.
- The User shall not sub-license any right granted hereunder, nor transfer The EUMETSAT Archived Products in whole or in part to any third party without EUMETSAT's prior written approval.
- In the event of non-compliance or default on the part of The User in respect of any of these conditions EUMETSAT reserves the right to cancel this permission to use The EUMETSAT Archived Products without notice.
